PDG Schedule for 2025 Updates

Please note:

- **Meeting all deadlines is essential for the timely publication of the 2025 web updates of the *Review*.**

- Papers published through January 6, 2025 will be included via literature searches. Additional published papers may be included at the discretion of the overseer until February 14, 2025. Adding new data or papers after February 14, 2025 requires group leader approval that will only be granted in special cases.

- Updates of review articles for the 2026 edition of the *Review* must be completed in 2025 according to the schedule below. In 2026 only minimal updates to synchronize numbers and figures with the 2026 Listings will be possible. Rare exceptions for special cases require approval well in advance.
