

PDG Schedule for 2027 Updates

Please note:

- **Meeting all deadlines is essential for the timely publication of the 2027 web updates of the *Review*.**
- Papers published through January 4, 2027 will be included via literature searches. Additional published papers may be included at the discretion of the overseer until February 17, 2027. Adding new data or papers after February 17, 2027 requires group leader approval that will only be granted in special cases.
- Updates of review articles for the 2028 edition of the *Review* must be completed in 2027 according to the schedule below. In 2028 only minimal updates to synchronize numbers and figures with the 2028 Listings will be possible. Rare exceptions for special cases require approval well in advance.
